

the big build home activity

Cut me out and experiment with your own sculpture.
You can take a few or print out more to make your own big build!

Instructions:

1. Decorate your block
2. Cut carefully along the black lines including halfway down the tab line 
3. Fold along the dotted lines, including the numbered tabs -----
4. Slot the matching number tabs together. Fold them so they are inside the block!
5. Experiment and Play. **Print out more online at home.ioi.london**
